Application Checklist

Eligibility

__ Applicant must be a citizen or lawful permanent resident of the US.

__ Applicant must be able to pass background clearance requirements for federal employees

__ Applicant must have no record of academic misconduct

__ Applicant must be a fulltime student during the scholarship period

Application Package

__ Signed application form.

__ Up-to-date resume. The following information must be included: education history; employment history; list of scholarships, awards, honors; extracurricular activities, clubs, athletics; veteran or military status.

__ A personal statement. Please describe in detail your motivation for applying to SFS, interests in cybersecurity as a profession, and readiness to work for the government.

__ Two letters of recommendation. For applicants who have taken courses at KU EECS, we strongly recommend at least one letter from EECS faculty. Please arrange the letters to be sent directly from the recommenders to sfs@ku.edu. We do not require any specific format.

Application Deadlines

__ For scholarships starting in fall: April 30, 2021

__ For scholarships starting in spring: November 1, 2021

Submission

Please email electronic applications (signed and scanned) to sfs@ku.edu, or send the paper application to 2001 Eaton.
